The parish office will be responsible to discharge this legal requirement.

### **Wedding Ceremony**

Please remember, your punctuality in arriving at the church to begin the ceremony is both a way of ensuring that you will not be harried or hurried on your wedding day and an act of courtesy not only to your guests, but also to the priest, deacon, organist and soloist who will be serving you.

Each of these individuals has a busy personal and professional schedule and has made scheduling arrangements with the assumption that the ceremony will begin on time. Our church ceremony normally lasts approximately one (1) hour.

Being respectful of everyone's time commitments will help to make your wedding day a happy day for all of your participants and guests as well.
