Your TLC Friend – Liz Aprahamian

John Yavruian began attending Tuesday luncheons this past year. His tablemates enjoy John's upbeat personality, his sense of humor, and his hearty laugh.

John's father, Carl, was born in Van and his mother Rose (Hatchigian-Dedeian) was born in Izmit, which is not very far from Istanbul. They were married in 1940.

John was born in Highland Park. He and his sister Diane (Katchadurian) both attended the Detroit Public Schools and both graduated from Mackenzie H.S.

John attended Wayne State and graduated with a B.A. in Theater. He earned his Master's Degree in Clinical Psychology at the Center for Humanistic Studies.

His work experience was varied as he taught for five years in a private school, worked for two years at Ford Motor and taught for one year at the seminary in Jerusalem. He worked for twenty years at the Wayne County Juvenile Court from which he retired in 2011.

John's service to St. John began in 2002 when he joined the choir and he continues his choir participation while also serving as a member of the St. John Parish Council. He was elected to the Council in 2007 and has been Council Chairman for the past four years.

Cultivate Happiness

The aging process can bring energy loss, disease, a loss of purpose, and worry about external problems over which you have no control. Therefore, inner happiness must be cultivated. A positive attitude, inner strength and faith are what you must rely on to get you through difficult times. Make a deliberate choice to cultivate happiness through activities that can maintain physical health, strengthen your inner happiness and bring you peace.
