We always have a great meal and a good time with old friends. Come as you are and enjoy the camaraderie with old friends and new acquaintances.

Your TLC Friend – Liz Aprahamian

Dr. Vince Baylerian has been attending Tuesday luncheons for the past several years.

Vince was born in Detroit, attended the Detroit school system and graduated from Cass Tech High. He then attended the University of Detroit where he earned his D.D.S. Degree. He opened his own dental office in Westland where he worked for over fifty years.

Vince is the son of the late Frank and Hamaspyr, both born in Sepastia, who settled in Detroit and became active members of St. John Armenian Church. Vince married Ann (Pepsi) Chrovian in 1965.

Following in the footsteps of his parents, Vince has been a very active member of St. John Armenian Church. He has served on the Parish Council, the Nominating Committee, and sung in the Gomitas Choir.

Vince is currently Captain of the Ushers, a member of the Men's Society and will be receiving the St. Vartan Award from the Diocese this November.

He is an avid sportsman and has played in organized baseball for over fifty years. He is also an avid golfer.

Vince and Pepsi have two children and four grandchildren.

Have a Hobby

Life has purpose when you make choices about the things you want to do and then do them. A hobby is an excellent way to remain fulfilled and interested in what is happening around you. Inevitably a hobby will always provide a way to reach out to others who are interested in the same hobby as you, thereby increasing your fulfillment through interaction with other people. It doesn't matter what sort of hobby you have provided it is enjoyable, affordable, and is practiced with restraint.

"Bits of Humor" – Dan Cristiano

Light hearted truths from Maxine.....

"The trouble with bucket seats is that **not everybody** has the same size bucket."

"To err is human; to forgive, highly unlikely."

"Do you realize that in about forty years, we'll have millions of old ladies running around with tattoos and pierced navels?" **(Now that's scary!)**

"Money can't buy happiness--but somehow it's more comfortable to cry in a Porsche than a Kia."

"After a certain age, if you don't wake up aching somewhere...you may be dead."

Maxine's "The Perfect Man" "All I'm looking for is a guy who'll do what I want, when I want, for as long as I want, and then go away. Or wait nearby, like a Dust Buster, charged up and ready when needed."
